Joan's Home Helpers List -- Updated November 2020

I cannot guarantee the work of these folks but they have worked with me or have been referred to me. I will continue to use them until they prove otherwise--this is my disclaimer! I have some secret folks, too. When you call them, mention my name and Joan's Home Helpers List! Please call me or e-mail me with any questions and your evaluation of their work. I would appreciate your feedback. - *Joan*
